Harishchandra gadh Trekking Camp:
3-4- oct. 2018

MONTHLY REPORT ON SOCIAL ACTIVITY
INSTITUTE NAME – S.P.JAIN COLLEGE, PABAL

Keeping in mind the Unity and Discipline, social and environmental awareness, the NCC unit of Shri Padmamani Jain College Pabal successfully organized the trekking camp at Harishchandragarh on 3rd & 4th Oct.2018.

With the permission of our Principal Dr.Sanjay Ghodekar, under the leadership of Prof.Ashish Talekar (ANO), Prof. Ganesh Sonawane (NCC Committee member), 21 selected cadets participated in this adventurous trek.

Our cadets enjoyed the exciting adventure of climbing up the challenging hills from Kothale village.

We experienced the slippery path of the hills, fascinating beauty of forest and flowers, the icy touch of the water of Kedareshwar Caves, the archaic temple of Harishchandreshwar, the naturally clean and clear water that quenched our thirst (which is a thousand times better than any mineral water), the terrible beauty of Kokankada, the heavy rain with thunder, the overnight stay in the captivating caves, the thrilling sounds of different birds and animals, the existence of small crabs, frogs and snakes, the tents for the protection, the highest Taramati Peak, the refreshing pond of Saptatirth Pushkarni, the self-cooked food, the campfire and many more activities.

Before leaving this enchanting place, our cadets cleaned the campus of the caves, temple and pond; they disposed the garbage and suggested the other trekkers to keep the environment clean. Thus our cadets gave a message to society about the environmental awareness.

During this trek, our cadets realized the importance of environment and conservation of the wealth of jungle.

Apart from this, they were deeply aware of the importance of unity, discipline, cooperation, adjustment, fitness and courage.

We are sure that this unforgettable trek and the different activities during the same will help them to shape their personalities.

Raksha Bandhan

This is a special Hindu festival which is celebrated in India and countries like Nepal to symbolize the love between a brother and a sister. The occasion of Raksha Bandhan is celebrated on the full moon day of the Hindu luni-solar calendar in the month of Shravana which typically falls in the August month of Gregorian calendar. The festival is made up of two words, namely "Raksha" and "Bandhan." As per the Sanskrit terminology, the occasion means "the tie or knot of protection" where "Raksha" stands for the protection and "Bandhan" signifies the verb to tie. Together, the festival symbolizes the eternal love of brother-sister relationship which does not mean just the blood relationships only. It is also celebrated among cousins, sister and sister-in-law (Bhabhi), fraternal aunt (Bua) and nephew (Bhatija) and other such relations. But our college celebrated Raksha

Bandhan to the students of Matimand Residential School, Pabal
