PREFACE

We are extremely exhilarated to provide the leafy platform in the form of a book for the dew like bright thoughts of budding researchers, experts and erudites for the thirsty readers. These pellucid and translucent thoughts will bring about humanized, moral and ethical changes among the readers. This book will certainly enlighten its readers and augment their interest in reading multidimensional and multidisciplinary approaches. Our college library often proves to be a land of germination of innovative ideas thereby to disseminate information and cultivate reading culture among its users. Being a life-blood of any institution, libraries play a vital role by providing apt information within no time to its users. Every year our college library with the help of ICT organizes many outstanding activities to reach out to as well as attract the readers. This time, on the occasion of Dr. A.P.J. Abdul Kalam's birth Anniversary we come up with the idea of publishing this book focusing on the topics pertaining to Abdul Kalam, Reading culture and libraries. Kalam's Birth Anniversary is celebrated as Reading Motivation Day in the college libraries working under S.P. Pune University. Therefore, we have selected the theme 'Love of Books' i.e. 'love of reading books' for this book. Many scholars have contributed to this book with their brainstorming chapters that will strengthen the intellectual grip of readers. The contributors are from the states like Assam, Goa and Maharashtra. In Maharashtra, the scholars from Nagpur, Aurangabad, Pune, Kolhapur, Amravati etc. submitted their articles, chapters. The chapters throw light on the various issues and perspectives pertaining to 'reading' which is considered as a prominent activity to bring about
