Action Taken Report 2020-21 on student feedback on evaluations of Teachers by students in the college

For the academic year 2020-21, feedback forms were filled by the students to evaluate the faculty. Based on this feedback form B. A. and B.Com. The students of these classes evaluated the teachers of all the subjects taught to them. The following points were observed in this evaluation.

This year, the college was started online in the background of Corona virus. So all the teaching was done online. Therefore, the relationship between students and teachers came online. Initially, it was difficult to implement both study and teaching in this way. Also, it took time for the students to observe the changed syllabus and session method. So this year was challenging for teachers as well as students. However later this communication became easier. The students evaluated the teachers against the same background. They were made aware that teachers should be ready to face new challenges and all the teachers were prepared for it. According to the report prepared by averaging the total evaluations made by these students, the college took the following action.

- 1) How to super-excellence the points on which the students gave their opinion as excellent. It was thought about whether it will come.
- 2) All teachers emphasized on enhancing computer literacy.
- 3) The need to develop new technologies was strongly felt by all. Trying for that done Discussed what solution can be planned for it.
- 4) Teachers have their knowledge, skills and technical knowledge required for teaching. In order to increase the skills, it was encouraged to go to various colleges, institutes and workshops.
- 5) Enrichment of knowledge to a greater extent using increasing mobile usage for students. And how the topic can be understood was discussed.
- 6) Make videos in a short but interesting manner to the students. It was decided that it should be sent.

ACTION TAKEN REPORT ON FEEDBACK ABOUT TEACHERS FROM STUDENTS
A.Y.2021-22

Online feedback forms were filled by students for the academic year 2021 - 22 evaluating faculty. Based on this feedback form B. A. and B.Com. The students of these classes evaluated the teachers of all the subjects taught to them. According to the report prepared by taking the average of the total evaluation done by these students, the college took the following action.

1) This year the college was started in the background of Covid 19. Due to the academic vacuum of the last two years, there was a lot of confusion in the minds of the students. Also, it took time for the students to observe the changed syllabus and session method. So this year was challenging for the teachers. The students evaluated the teachers against the same background. This time it was different from other years. In all cases, teachers were seen to be undervalued. The teachers deliberated on what changes could be made in the teaching method in such a situation.

1) They were made aware that the teachers should be ready to face new challenges and all the teachers were prepared for it.

2) It was thought about how to make those points excellent, regarding which the students thought that they were excellent.

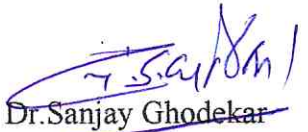

3) All teachers emphasized on enhancing computer literacy.

4) To increase their knowledge, skills and technical skills required for teaching, the teachers were encouraged to go to various colleges and institutes to discuss what solutions can be planned for seminars and workshops.
