Dear Faculty Members,

Greetings!

We are delighted to announce that the Library and IQAC Department at our institution are collaborating to host a lecture on 5th April 2022 and time 10A.M in the college IQAC Room.

The lecture will focus on the topic "Steps to Create Vidwan ID and Importance for NAAC, and will be conducted by Asst. Prof. Yogesh Daphal –college Librarian.

Vidwan ID is a unique identification number assigned to researchers and faculty members who have contributed to research and publications. The lecture will cover the significance of Vidwan ID and its role in enhancing academic credentials and research output. Asst. Prof. Yogesh will provide a step-by-step guide on how to create a Vidwan ID, including the necessary documentation required for registration.

The lecture will also shed light on the importance of Vidwan ID for NAAC (National Assessment and Accreditation Council) accreditation. NAAC is a statutory body that assesses and accredits higher education institutions in India. Vidwan ID plays a crucial role in the evaluation process, as it provides a means to track research output and academic achievements of faculty members.

The lecture is open to all students and faculty members interested in enhancing their academic credentials and contributing to research. I encourage you to attend the lecture and benefit from the knowledge and expertise of Resource person.

Thank you for your attention, and we look forward to seeing you at the lecture.

Best regards,

Report on ICT Lecture "Steps to Create Vidwan ID and its Importance for NAAC"

On the 5th of April 2022, Asst Prof. Yogesh Daphal-College Librarian delivered a lecture on "Steps to create Vidwan ID and Importance for NAAC" The lecture took place at the IQAC Room of the institution, and it was attended by Principal and all faculty members of College

The lecture began with an introduction to Vidwan ID, which is a unique identification number assigned to researchers and faculty members by the Department of Science and Technology (DST) in India. Asst Prof. Yogesh highlighted the importance of Vidwan ID, especially for those working in the field of research and education. He pointed out that Vidwan ID provides a platform for researchers to showcase their work, academic achievements, and other details relevant to their profession.

Prof. Yogesh then proceeded to explain the steps to create Vidwan ID. He emphasized that the process is straightforward and can be done online. The first step is to visit the Vidwan portal and register using personal details such as name, email ID, and mobile number. The next step is to provide academic details, research experience, and publications. The system then generates a unique Vidwan ID, which can be used to access the Vidwan portal.

Furthermore, Asst Prof. Yogesh Daphal explained the importance of Vidwan ID for institutions applying for accreditation from the National Assessment and Accreditation Council (NAAC). He stated that Vidwan ID plays a crucial role in the NAAC assessment process as it provides a platform to showcase the research and academic achievements of the faculty members. Institutions can use the data available on the Vidwan portal to demonstrate the research output and academic credentials of their faculty members.

In conclusion, Asst. Prof. Yogesh Daphal's lecture provided valuable information on the steps to create Vidwan ID and highlighted the importance of Vidwan ID for researchers and institutions seeking accreditation from NAAC. The lecture was informative and engaging, and it received positive feedback from the audience.
